LAST COIN STILL UNBEATEN

HIGH NOON, HIS STABLEMATE, COULD MAVE WON BALTIMORE HANDICAP, HOWEVER.

Declaration to Win with Former Was Made Before the Race and Son of Ultimus Scores His Fourth Consecutive Victory.

Bultimore, Md., October 29.—Last Coin, James Butler's two-year-old by Utitinus—Half Crown, has an unbroken record of victories this year and he added another, the fourth, to his list this afternoon in winning the Maryland Handicap, but had not the stable declared to win with Last Coin, his stablemate, High Noon, probably would have won. The two passed the post on almost even terms, with Last Coin's head showing in front. Butwell, who rode High Noon, was looking around when he finished, apparently for a glimpse of those behind. The Butler pair had the race to themselves all the way. High Noon jumped out at the start and showed in front immediately after the break. He was quickly joined by his stable companion and the two ran lapped on each other. Before the turn was reached they were half a dozen lengths in advance of the others. The first half was covered at a terrific pace, the time being :46 %.

A number of horsemen have announced their intention of wintering at the Benning course. Those who have already reserved stables include R. F. Carman, J. W. Dayton. Thomas Fortune Ryan, Dr. J. S. Tyree, M. J. Daly and Capt. C. K. Rockwell.

S. C. Hildreth will ship the Belmont horses from Sheepshead Bay to Benning about the middle of February. Much will depend upon the condition of the weather however.

The Carman yearlings, now at Belmont Park, will be shipped to Benning. Thornhill ran this afternoon in the name and colors of D. J. Leary, who purchased the horse this morning. Hildreth is reducing his stable preparatory to going into winter quarters, as he expects a shipment of the Belmont horses from France shortly,

J. W. Dayton purchased Slumberer from William H. Kařrick this morning. The colt will be schooled

Several stables left for Pimilco this morning, weinding T. J. Healey, with R. T. Wilson's big string, A. G. Weston and Matt Feakes.
George Odom, who is in a Baltimore hospital suffering from typhoid fever, is reported as progressing favorably toward recovery.
The following houses were disposed of at public

The following horses were disposed of at public sale in the paddock previous to the races this afternoon: Marvelous, Sam Louis, \$1,050; Golden Lassie, J. W. Hedrick, \$225; Vinctellator, E. Utterback, \$140; Borgond, E. Utterback, \$140. G. M. Miller was offered, but there was only one bid of \$1,000 on the horse and he was withdrawn, Several other horses offered by R. F. Carman were not sold.

GENERAL NEWS NOTES OF THE DAY.

GENERAL NEWS NOTES OF THE DAY.

The fourtcenth day of the battle of West Flanders, which is being fought over an area hardly greater than a goal sized farm in the state of lowa, found the allies holding their ground to the west of the Yser and the Germans apparently bringing up more reinforcements to repeat their fucious attempts to break through and reach the coast of, France. All dispatches seem to admit that there was a temporary hull in the fighting between Nieuport and Ypres, but the reports are far from unanimous as to whether this was due to an armistice to bury the dead and remove the wounded, which must thickly over the field, or whether it was caused by the exhaustion of the contending forces or the German lack of animumition. The the allies, where the Germans have fought furiously in their efforts to march on the French ports of Dunkerque and Calais, is considered to be only momentary. Reliable reports are to the effect that heavy reinforcements are on their way and that when the German lines are strengthened by these forces, said to aggregate more than 200,000 men, the fighting will go on with renewed ferceness. The reinforcements, it is said, have been drawn from all the other battle lines, both in the east and in the west, as the result of the order of Emperor William that the French forts must be taken given out in Paris follows; "During yesterday we made progress at several points along the line of battle, but particularly around ypres, and to the south of Arras. There is nothing new on the front between Nieuport and Dixmude. Between the Aisne and the Argonne we took possession of some trenches occupied by the enemy, and not one of the partial attacks undertaken by the Germans resulted successfully. We advanced also in the forest of Aprenont." It is estimated that German depressed to the work of the partial progress of the continuous progress of the continuous progress and the destroyer escaped through the Strait of Malacca. PLAN LAUNCHED FOR THE REVIVAL OF RACING AT ST. LOUIS

St. Louis, Mo., October 29.—The first move for the revivial of racing in the city of St. Louis was made yesterday when Joseph A. Murphy announced that he had taken an option of purchase on the kinioch Park race track for five months. The property consists of 135 acres located at the junction of the Kansas City branch of the Wabash rafilroad and the Florissant branch of the United Railways. The Wabash has tracks graded into the property and people can be carried from the Union Depot in twenty minutes, stopping at Vandeventer Ave, Forsythe Junction, Delmar, Maple Ave., and Perguson.

Rainways. The Waddish has tracks graded into the property and people can be carried from the Union Depot in twenty minutes, stopping at Vandeventer Ave, Forsythe Junction, Delmar, Maple Ave, and Ferguson.

The United Railways has a double track with ninety-pound steel rails passing the property. There is also a regulation mile track graded on the property over which some of the best thoroughbreds of the country have raced. It was regarded as the safest and best track ever rared over in St. Louis. Judge Murphy announced that he had associated with him W. D. Cave as business manager, and the two will begin an active campaign on his return to the city after a short trip in the interests of the coming New Orleans meeting. The racing movement will have no connection with that to give St. Louis an annual fair and nothing will be done to interfere with this venture. Judge Murphy cutlined his plans yesterday as follows: "If racing comes back in St. Louis it will be as a sport and not as a business. All of our literature will bear this mark: Kinloch Park. Here is the horse king.' I have a bill drawn which I will present to the coming legislature. It provides that in cities of 200,000 or more and counties adjacent thereto any five hundred or more citizens may associate themselves together for the purpose of promoting harness and running races and the raising of stock. We propose to organize a society with a cipital stock of \$200,000 divided into 20,000 shares of ten dollars each. The purposes of the society are set forth fully in section 7 of the bill as follows: 'No public contests or exhibitions of any character shall be given by any society incorporated under this act and the land and other property which may be held by any society under the provisions of this article shall be held by the society for the exclusive use of its members and for the sole purpose and none other whatsoever of erecting en-

closures, buildings, and other improvements calculated and designed for meetings of the society, for contests of speed and endurance between man and beast, exhibitions of various breeds of horses, cattle, mules and other stock and of agricultural, mechanical and domestic manufactures and productions and for the purchase, importation, breeding and the keeping thereof of such foreign breeds of stock as the board of directors may deem advantageous to the interests of the county and for the breeding, raising, purchasing and selling of all classes of pure bred stock.

"This will do away with the often raised objection to the public soliciting of betting.
"Section II. of the bill will provide: "No bookmaking or auction pools will be permitted on the grounds of the society, but when horse racing is carried on for a period not to exceed thirty days in any one year at least five days of which shall be exclusively for harness races, the directors of the society are hereby authorized to arrange members of co-operative pools in such races as are actually contested on the grounds of the society. They are further authorized to defluct from such pools a reasonable per cent for the purpose of providing suitable purses or prices, to issue tickets or receipts for the identification of members and to provide suitable stakeholders for the accommodation of members and such shall not be considered a violation of any of the provisions of section 4748 and 4749 of the revised statutes."

"This will do away with objection number two, because it abolishes the 'business of betting."

Objection was made in the last legislature to the appointment of a commission and this feature will be omitted. In order to provide against the springing up of nusbroom societies the bill will provide that no one shall be a stockholder of record in more than one society in any city or county adjacent thereto.

Judge Murphy's idea is to have two weeks of racing in May before the Canadian season opens and two weeks in October after it is over. The racing will b

snit was still in progress." All the Austrians and Germans, except those of Slavish, French, or Italian nationality, have been ordered to leave Petrograd within a fortnight. President Poincare has left Bordcaux for Paris, where he will Join Minister of War Millerand for a visit to the front. It is also expected that he will go to Havre to pay his respects to the Belgian government. Some of the ships sunk in the port of Antwerp by the troops of the allies have been raised and the river is navigable again. The Antwerp government has invited bids for the raising of the rest of the sunken ships. The Swedish steamer Ornen, from Portugal for Gothenburg, Sweden, hit a mine Monday in the North sea and sank off Cuxhaven. Five members of her crew were drowned. The British and Russian governments have agreed to a mutually advantageous exchange of combatant and anounced later. The British government, after having consulted its allies and neutral powers, has decided to disregard the declaration of London of 1909. This means the cancelation of permission for reservists of belligerent nations to travel unmolested in neutral ships. All the entrances to Cuxhaven, by land and by sea, have been closed by imperial command. No civilians are allowed in the vicinity of the harbor, which is crowded with floating batteries, Zeppelins and submarines.

Representatives of four copper companies in New York have protested to the state department at Washington that two Italian steamers, the San Glotyanni and the Reg'na d'Italia, carrying several thousand tons of American copper to Italian ports, had been detained by the British authorities at Gibraitar. In making public the telegram of protest sent to Secretary Bryan, representatives of the four copper companies announced that they had also received advices of the seizure by British authorities of the steamship Prosper III., for Malmoe, Sweden, and the steamship Ascot, for Genoa, both carrying copper.

At Sarajevo judgment was passed on the assassins of Archduke Francis Ferdinand, heir apparent to the Anstro-Hungarian throne, and his wife, the Duchess of Hohenberg. Gavrio Prinzip, the actual assassin, escaped with a sentence to imprisonment for twenty years. Four of the conspirators were sentenced to death by langing one to life imprisonment, two to twenty years, one to sixteen years, one to thirteen years, two to ten years, one to seven years, and two to three years. The other defendants were acquitted.

The rising of a portion of the garrison at Jalapa he he half of Villa was checked, but only after the loss of 180 killed and wounded, according to estimates received by the American authorities at Vera Cruz. Jaiapa is the capital of the state of Jalapa and is fifty-five miles northwest of Vera Cruz.

The disaster at the mine of the Fraklin Coal and Coke company at Royalton, Ill., in which at least fifty men lost their lives, was due to an explosion that resulted when a miner's lamp came in contact with a pocket of gas that had been noted the night before by a mine examiner and marked dangerous.

Gen. Carranza has issued a manifesto in which gives the full history of differences between to constitutionalist government of Mexico and the vision of the north and especially its commander Francisco Villa. Carranza predicts bloody strife Villa is permitted to rebel.

A serious revolutionary outbreak has occurred in Port au Prince as a result of the landing there of Charles Zamor, a brother of the president of the republic. There was shooting in the streets of the city and the members of the ministry have taken refuge in the foreign consulates,

It is now expected that the interstate commerce commission will deny the request of railroads in eastern trunk line territory for a 5 per cent hori-zontal increase in freight rates.

ANOTHER FAVORABLE NEW YORK DECISION

New York, October 29,—Rudy Hayman, accused of having accepted bets on horses racing at the Aqueduct track June 25 of this year, was discharged yesterday. Hayman, who was represented by Abraham Allenberg, was arraigned before Justices Foulkner, Morse and Herrman in Special Sessions at Jamaica.

sions at Jamaica.

Detective Edward J. Hughes, working under the direction of the police department of the City of New York, testified that he had posted twenty dollars with Hayman on June 23. Water Welles and Crossbun were horses he wagered upon.

Hughes claimed that Hayman gave him a pad of slips and showed him how to fill out the same with name of horse, the odds and his initials, and he further contended that Hayman displayed odds on his program.

on his program.

Lawyer Allenberg made a motion to dismiss the complaint on the grounds that his client did no exhibit odds to the general public, nor did the evidence show that books, sheets or other para phernalia were kept by the defendant.

"JOHN BRIGHT" GOES THE LONG ROAD.

William J. Harding, better known to many as "John Bright," died suddenly yesterday in a Cicero hospital. The dead man was formerly a capable trainer of race horses and among others he had in charge was the high class handicap horse, John Bright, from which connection he derived the soubriquet referred to.

Probably the last really good horse with which he had anything to do was his own of the good ones of 1905. In more recent years be had at times acted as a starter's assistant and internittently trained horses for local owners. He was a man of excellent wit and when in the mood, a rarely entertaining conversationalist and raconteur. He was said to be about 45 years of age.

CARNIVAL OF LONG SHOTS

HORSES LITTLE FANCIED CUT WIDE SWATH IN LATONIA RESULTS.

Miss Kruter, Paying \$154.80 for \$2, Is Longest-Priced Winner of Day-Long Reach, Cannonade and La Mode Others That Pay Well.

Cincinnati, O.. October 29.—The repeated failures of favorites spelt disaster for the regulars at Latonia this afternoon and enabled the backers of long shots to reap a harvest. Not a single choices managed to score and some even failed of placing. The unsets came in swift succession, the outstanding one of the afternoon developing in the second race, when Miss Kruter won with odds of \$154.80 against her straight for each \$2\$ investment and the greater sum of \$205 for place. The last-named sum is the largest paid for place against a winner on a Kentucky track in a considerable time. The filly was by no means neglected and some of the Canadian half-mile contingent profited well by her success. Charlie Ellison and John B. McLaughlin were joint holders of the only \$25 ticket sold on her. It yielded \$1,935.

The conditions of the first three races, the starters all to be sold for \$400 each, brought out large fields of mediocre horses. Jester was highly regarded in the opener, but Long Reach, grouped with Santo and Irish General in the field, led for the entire trip and won by a length, lester just getting up in the last stride to overhaul Prince Albert for second place. On the strength of her good showing yesterday, Coy was liked best for the second, but after flattering her backers to the last turn, she succumbed readily to Miss Kruter and Birka. Water Witch and Brick and Mortar were given the call in the third, but Water Witch got away poorly, while Brick and Mortar was nearly thrown when in a contending position. Cannonade won handily over Nobleman, with White Crown in third place. Hernuda and Howdy Howdy were the choices for the fourth, but both falled to get any portion of the purse, the winner turning up in La Mode, which was in a running mood today and leading for the entire trip, ultimately beat Flying Feet by a narrow margin.

Indolence showed an acrobatic performance when he won the fifth race in rather handy fashion. In

carrie trip, ultimately beat Flying Feet by a narrow margin.

Indolence showed an acrobatic performance when he won the fifth race in rather handy fashion. In a previous start, he was beaten off and finished a distant trailer, without showing a particle of speed. In today's running he was well up most of the way, and drew out in the stretch. The favorite, First Degree, under hard urging, just managed to beat Little Bean for second money.

After having run five times second in six starts. Bonne Chance managed to move up a notch and win the closing dash, for which Joe Deibold was the choice. Neylon gave him an energetic ride and kept him well up to the stretch turn, where he passed Bonanza. The latter, at long odds, held Olga Stat safe in the final drive for second place. The field backers took both pools of the combination. The two-horse yielded \$28.70 for \$2 and the three-horse \$4.95.

william A. Northey, secretary and treasurer of the Blue Bonnets track at Montreal, was a visitor this afternoon, coming from Laurel. He is here to observe the workings of the mutuels and secure pointers which he intends for use at the Blue Bonnets track, where the mutuel system will be installed during the winter for use at the Blue Bonnets track, where the mutuel system will be installed during the winter for use next season. Lighteen machines will be used at Blue Bonnets. Representatives of all the Kentucky tracks have notified General Manager Hachmeister of their acceptance of the invitation to be his guests on Friday, November 6, when they will discuss and probably reach an agreement on dates for next season. If a decision on the dates is reached they will be submitted to the Racing Commission for ratification at their meeting to be held at Latonia, Nov. T.

Frank J. Bruen received advices today from Fred Auerbach that he would arrive here from Charleston on Tuesday next. He also stated that the work of improving the plant is well under way and that everything will be in good shape for the opening. Col. W. E. Applegate left today for Laurel, where he will confer with Matt J. Winn regarding Juarez racing prospects. Col. Applegate will likely have a large voice in the ring management at the Mexican course the coming winter.

RULES GOVERNING CANADIAN REGISTRATION.

Montreal, Que., October 29.—Secretary William Northey of the Montreal Jockey Club has sent out the following letter to breeders in the Province of Quebec, calling their attention to the regulations governing the registration of foals:

"Your attention is called to the dates for the registration of thoroughbred foals of 1914.

"With the Jockey Club of New York foals must be registered by November 1, the fee being \$2 for each foal. After that date the charge is \$10 for each foal up to December 31, then it increases to \$50.

each foal. After that date the charge is \$10 for feach foal up to December 31, then it increases to \$50.

"With the Canadian Racing Associations foals should be registered simultaneously with New York, but for this registration no fee is charged. "With the Canadian National Records, Ottawa, foals may be registered in the year in which they are foaled up to December 31, the charge being \$1 each to members of the Canadian Thoroughbred Horse Society and \$2 each to non-members. After December 31 the charge is \$5 to members and \$10 non-members.

"According to the rules of the Canadian Racing Associations all of these registrations are necessary, it being provided that a horse must be duly registered and named before it will be permitted to start.

"Immediate attention on the part of breeders and owners to this matter will obviate additional cost in the future. Forms for the purpose are on file at the office of the Montreal Jockey Club, and any information required in this connection will be gladly given."

By direction of the legal authorities who by a government decree are seizing the property of German and Austrian subjects resident in France, ten race horses belonging to M. Mumm, the hampagne manufacturer, have been seized. Mumm is under supervision at Poitiers.

The meeting just closed at Vancouver, B. C., was not the financial success that has been the rule with meetings held there. This was because of the war and bad weather, the horses having raced over muddy tracks for the last forty-one days of the meeting. The meeting served to develop a promising rider in the apprentice, N. Clark. The track was in particularly bad shape during the past week of the meeting, being full of soft spots.

"Eddie" Burke, manager of the Havre de Grace race track, has married again, according to information from New York, where he makes his home. Mr. Burke's bride is Miss Leah Angeles, formerly well known on the stage and sister of Mrs. George Co. Sidine, who was also on the stage till a few years ago. At one time the sisters were on the vandeville stage together. Mr. Burke lost his first wife more than a year ago. Bride and groom are said to be at Havre de Grace for their honeymoon.
